**Description:** The Department of Physical Sciences originally fell under the Division of Natural Sciences and with successive organizational restructuring has been part of the College of Arts & Sciences and the College of Science and Mathematics. Prior to 1989, Chemistry and Geology were often listed together but Chemistry and Physics were listed in the college catalog as separate departments. The Physics minor was discontinued in 1998.

Collection includes annual reports and action plans, assessment plans and reports, internal self-studies, consultative reports, reports submitted to accrediting agencies, correspondence and a very incomplete set of minutes from departmental meetings..Prior to 1993-94 annual reports consisted of planning schedule that outlined departmental goals and objectives.
